KIDS TIME
Ahora es el momento de re-crearse

Nosotros nos preocupamos por el medio ambiente, ellos se ocupan.

Mientras nos esforzamos por etiquetar las formas del amor, ellos aman sin formas.

Y lo hacen porque pueden, porque juegan.
¿Cómo no van a jugar? Es su naturaleza. Y también fue la nuestra.

Fuimos niñas y niños hace un tiempo. Y con el juego construimos realidades que una vez imaginamos.

Nosotros trabajamos por desaprender los estereotipos de género, ellos generalizan los roles.

Hace tiempo que observamos. Están jugando con nosotros.

Mientras intentamos hacer frente a la incertidumbre, ellos no lo intentan.
Lo consiguen.

En Cerdá creemos en el poder que tienen los pequeños momentos de la vida para impulsar el cambio.

Por eso hemos creado KIDS TIME, RE-CREO, la colección de verano que te devuelve a la infancia para desde ahí crear juntos el futuro.

Explore more

Diseños aventureros, colores forestales, tierra y neutros. Focalizamos en la frescura, la pureza incluyendo elementos de la naturaleza.

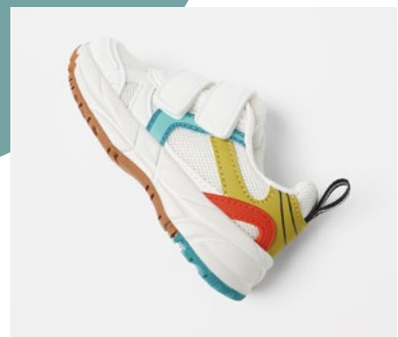

Welfare

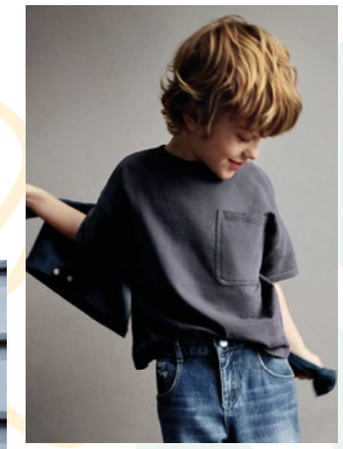

Pensamos en comfort, en artículos oversize, queremos estar cool en el parque, cool at work, cool at home, ¡cool siempre! La moda athleisure llegó, y seguramente para quedarse.

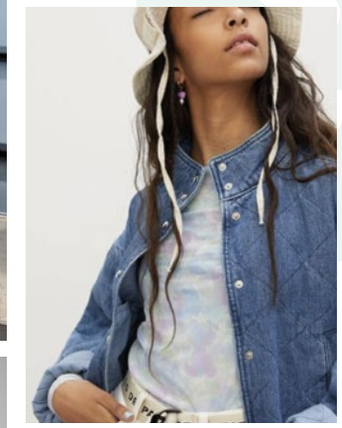

KIDS TIME

Blockfull

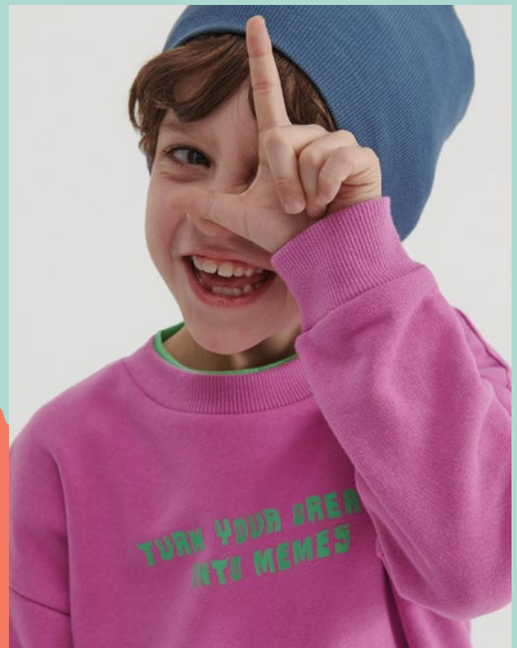

Los colores vivos con contrastes siemprenos transmiten buen rollismo, diversión... Jugar con contrastes fuertes, incluyendo más de dos colores en un mismo producto hará quedemos una fuerza potente a los diseños.

Ornamental

Las princesas siguen existiendo y ojalá por mucho tiempo. No podemos perder la ilusión y la fantasía.
Es por eso que no vamos a olvidarnos de las fornituras, tejidos vichy, de los volantes... Para nosotros son imprescindibles para llegar a esas niñas que siguen soñando ser las reinas de su castillo.

Lettering

Cada vez más necesitamos transmitir al mundo nuestrosvalores, es por ello que muchas veces lo transmitimos a partir de mensajes que llevamos en nuestro atuendo. Por eso en Cerdá debemos trabajar una colección llena de mensajes positivos, y que a la vez nos hagan reír y llorar, en todo caso de alegría.

28 DE JUNIO - DÍA INTERNACIONAL DEL ORGULLO LGBTQ

28TH JUNE - INTERNATIONAL DAY PRIDE LGBTQ

LA LUCHA POR LA LIBERTAD DE EXPRESIÓN

La comunidad LGBT, iniciales para las palabras Lesbianas, Gays, Bisexuales y Transexuales son más que una bandera de colores.
Observamos cómo con el paso del tiempo las marcas como Disney se suman y posicionan ante estos movimientos, creando por primera vez en la historia guías de estilo para apoyarlo y muestran ya no esa imparcialidad ante el orgullo, sino su apoyo a la causa.
Desde Cerdá tenemos acceso al material creativo y queremos posicionarnos también ante este colectivo, aprovechando la "salida del armario" de Disney.

Woke marketing: Un término inventado para definir algo que también podría ser conocido por «marketing de causas», «marketing de valores». Es una clara tendencia en la comunicación de las marcas dentro de una estrategia de diferenciación. El término se origina de una jerga norteamericana que podríamos entender como un «alerta contra la injusticia en la sociedad».

CÓMO MEDIR / INSTRUCTIONS: **Las medidas de la guía de tallas se refieren a las medidas del pie, no del zapato.** The measures of the size guide refer to the foot's measures, not item's.

¿Cómo averiguar tu talla del pie?

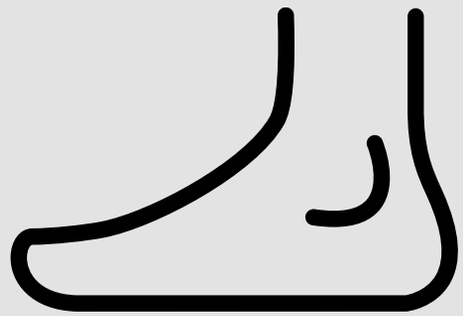

1. Ponte descalzo con los talones apoyados en la pared y un folio bajo los pies.
2. Marca con una linea donde acaban tus dedos gordos.
3. Coge el folio y mide con una regla desde el extremo de este hasta la marca.
4. Con esta medida consulta nuestra tabla de equivalencias para saber que talla usas en cada modelo.

* Además de la talla, existen factores que condicionan que una persona se sienta confortable con unas zapatillas. Este artículo sirve de orientación para que puedas conocer la talla de tu pie, sin embargo no te puede garantizar que una zapatilla de la misma talla te resulte finalmente la adecuada.

How to find out your foot size?

1. Get barefoot with your heels resting on the wall and a sheet under your feet.
2. Mark with a line where your fat fingers finish.
3. Take the folio and measure with a ruler from the end of this to the mark.
4. With this measure consult our table of equivalences to know what size you use in each model.

* In addition to the size, there are factors that condition a person to feel comfortable with shoes. This article serves as an orientation so that you can know the size of your foot, however it can not guarantee that a shoe of the same size will finally be the right one for you.

1. Get barefoot with your heels resting on the wall and a sheet under your feet.
2. Mark with a line where your fat fingers finish.
3. Take the folio and measure with a ruler from the end of this to the mark.
4. With this measure consult our table of equivalences to know what size you use in each model.

* In addition to the size, there are factors that condition a person to feel comfortable with shoes. This article serves as an orientation so that you can know the size of your foot, however it can not guarantee that a shoe of the same size will finally be the right one for you.

CÓMO MEDIR / INSTRUCTIONS:

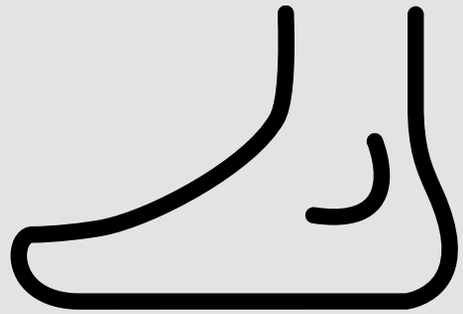

Las medidas de la guía de tallas se refieren a las medidas del pie, no del zapato.
The measures of the size guide refer to the foot's measures, not item's.

¿Cómo averiguar tu talla del pie?
1. Ponte descalzo con los talones apoyados en la pared y un folio bajo los pies.
2. Marca con una linea donde acaban tus dedos gordos.
3. Coge el folio y mide con una regla desde el extremo de este hasta la marca.
4. Con esta medida consulta nuestra tabla de equivalencias para saber que talla usas en cada modelo.

* Además de la talla, existen factores que condicionan que una persona se sienta confortable con unas zapatillas. Este artículo sirve de orientación para que puedas conocer la talla de tu pie, sin embargo no te puede garantizar que una zapatilla de la misma talla te resulte finalmente la adecuada.

How to find out your foot size?
1. Get barefoot with your heels resting on the wall and a sheet under your feet.
2. Mark with a line where your fat fingers finish.
3. Take the folio and measure with a ruler from the end of this to the mark.
4. With this measure consult our table of equivalences to know what size you use in each model.

* In addition to the size, there are factors that condition a person to feel comfortable with shoes. This article serves as an orientation so that you can know the size of your foot, however it can not guarantee that a shoe of the same size will finally be the right one for you.
